Tones for the Presidential Prayers

Solemn tone

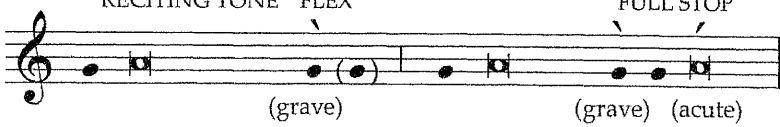

All the presidential prayers in the Missal (Collects, Prayers over the Offerings, Prayers after Communion) are pointed for use with the solemn tone according to the following formula. The reciting tone is preceded by one "G" (before ascending to "A"), including after the Flex. At every cadence, whether a Flex or a Full stop, the grave (v) indicates where to descend to "G," and the acute (r) indicates where to ascend back to "A." The grave at the Flex may or may not fall on the text accent depending on the textual accent pattern. The grave at the Full Stop is always applied to the second to last syllable before the final accent, without respect to the accentuation of that syllable. When the Eucharistic Prayer is sung according to the tone in the Missal, the Prayer over the Offerings must be sung according to the solemn tone.

INVITATION

Let us pray.

INVITATION

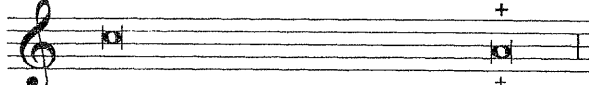

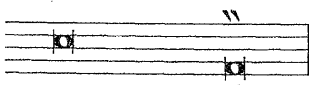

Let us pray.

RECITING TONE FLEX MEDIAN FULL STOP

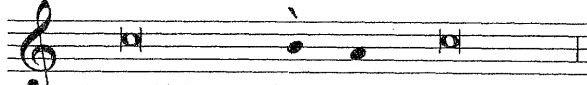

(flex sign) (grave) (double grave)

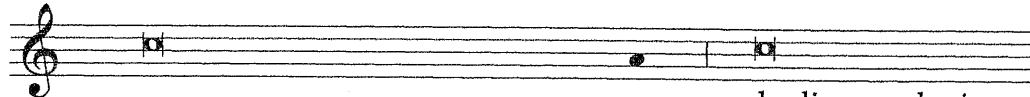

For the Flex and Full Stop, the pointing depends upon where the accent falls. When the final syllable is accented, a flex (+) sign or double grave (") is to be given to it. Examples:

FLEX +	FULL STOP "
	
...on the gifts of your CHURCH,	...Jesus CHRIST
